Mr. and Mrs. Webb were my absolute favorite bingo players. I could sit and talk with them all day long. Sending love and prayers to their family.

Weldon was eighth of nine children. Our Mother was # two. So, Weldon , Frances and Von Ray were the perennial young ones to us growing up.

Someone mentioned his soft voice. Our Mother said she had never heard anyone raise their voice till she married and moved to Oklahoma.

I remember when he was in the air force and stationed in Triest, Italy. He sent me a green leather jewelry box. He and Von Ray made the best fruit salad at holiday time and put those chocolate cream bon bons in it. Sometimes they would surprise us and bring Grandma and Pa to see us after church on Sundays. We were in Ardmore and they were in Sherman, Texas.

We had a great rivalry as to who was better Texas or Oklahoma. He and Aunt Lois were a great couple wish I could post from my fb photos of our last visit with the two. Ice cream at the city drug in Davis. We also one time got to have breakfast with Weldon and Lois, we got sausage biscuits at Mc Donald's, went to the Platt National Park bench to eat, Fern and I and Vlda Sue and Frank. David Weldon is the last one of that brood. Great memories, much love in that family how they loved being together. Much love to all of you,

“ We enjoyed our visit in the summer of 2019 with Uncle Weldon. He shared the latest family photos and showed us his beautiful flowers. We've talked on the phone several times this year and I always heard the latest news about the kids and grandkids. I also have very fond memories of our trips to West Texas. He will be missed-

“ David was one of the kindest gentleman I ever knew. You only had to watch him work in the cafeteria once to see how much he loved the children of Davis. His sweet smile and soft voice were welcomed by hundreds of Davis students. We will miss you David. I remember David driving down Knapp road, he would stop in a shade and eat his lunch. The first time I saw him there, I stopped to offer assistance. David told me, "nothings wrong, I just enjoy the beauty and the outdoors".

“ David was so special to my sister, Sharon and I. We loved to play bingo with him and Lois before she passed. He was always happy to see us and we were always happy to see him. We threw him a birthday party at bingo one year and he was so thrilled. He always seemed surprised by the little things we would do like making him a bingo bag and putting daubers in it. He expressed joy in the smallest things. David and Lois are rejoicing together in Heaven. We will miss you David, just like we have missed Lois. I'm happy for David but sad for me. Until we meet again my friend. Lots of love, Mary Leird.

“ David and Lois were so special to my sister Mary and I. We played bingo with them. Mary and I would try to get down to see him at least once a month and take him to go eat at Smokey Joe's. They were dear to us and we will always miss both of them. Thank you for sharing them with us. Sharon Sanders.
