“ Dumas was a great man and a great friend. He was a father figure as he always had a good word or story to say. He loved his family. We talked about his daughters and grandkids often as he was very proud of them all. He was a Legend and you as his family should be proud of him. He will be missed dearly and there's a huge hole in my heart with being gone. First it was Carlton and now Dumas. They were my team and my good friends. Dumas we will miss you dearly.
