“ Our family will always miss her yard decorations and Christmas displays. She put so much into it every year and it made the neighborhood a lot more colorful. Wish we had already given her the pinwheels we got for her to add this Spring.

“ Besties for near 56 years. We loved each other dearly for sure... and had a bond that even only a few blood sisters share... We were never in a place in our lives that the other wasn't welcome... we never had a disagreement or a falling out...we not only accepted each other we celebrated each other from the night we met to this day ..our friendship was my gift from God...she was my earthly angel long before she became a heavenly one... I have lost another sister... another sibling...I've lost another intricate piece of me and who I am...😞... thank God for precious memories . RIP Deener 🙏❤️🙏”
