“ *I was saddened to hear about Dons passing. I have fond memories of Don when we worked together at NMJC in Hobbs. Don was a great leader and visionary of future educational programs. I have missed our discussions on new building projects.*

“ *I had only known Don since 2003, but always looked forward to having lunch with him, generally at his favorite restaurant; "Angelinas". He enjoyed talking about his daughter Tory and grandson Chandler. I will miss this gentle man.##imported-begin##Clive Blowers##imported-end##*
