“ Donald and I went to school together. Donald was always so kind. Donald didn't speak very much but had a heart of gold. My dad was a police officer and would always meet him on the corner or Ricks furniture and 12th street just to say hello. It made an impact on him. Fast forward about 25 years later - Feb 2015 my dad passed away and we had his viewing at Claggs(DeArm) and I remember Donald walking in the funeral home. Took his hat off and went to the casket. I stopped him and said hello Donald remember me..., He grunted, hugged me and said I came to pay my respects then off he went...,short and sweet. He walked all the way to see my dad. Prayers for the family
