“ *My memory of Don and Shirley Tims began at Sandy Creek Presbyterian Church in the 80's. Don and Shirley Tims and other mighty men and women of God prayed for revival and revival came to this small presbyterian church in southern Oklahoma,*

*Don and Shirley Tims was crucial in my development as a new person in Christ. They supported the young Christians, a name we would eventually acquire. Their support came from bible studies and Don and Shirley supported the young Christians who had a desire to worship thru song. Don had a good voice and could hold his own, While Don's presence here on earth will be missed. I have assurance Jesus will say well done, my good and faithful servant.*
