“ *Everyone in the apartment Complex came to love Donna and befriended her after her beloved Stanley Died.. She would grieve and grieve and stayed days in the apartment but would often share chats at the picnic table. She left a void in each of our hearts... Cooked pastries she shared often. Our Spirits are Saddened as we miss her a lot.. She will remain in our hearts and thoughts forever. Prayers are extended to each of you during this sad time may God give you comfort and healing.
