“ *I remember when I was teaching Donnie his big smile when I walked in. He seemed to like the games we played. Donnie was an easy going kin of guy who loved everyone. I loved being with him making me laugh and bringing my spirits up as well as his. I will keep him in my heart forever!!!!*

Donnie it has been A few years since I cared for you, but I have never forgot you and how hard you tried and would respond with your wide grin and shining eyes. You have fought A really tough hard fight while the Lord loaned you here on earth. You were loved by so many while you were here. Now that you are in heaven free of this earthly body I know you are having A glorious time with the Lord and doing all the thingvyoh wanted to do here in earth. Fly high young man! ❤️❤️❤️❤️

“ *As your nurse I will always remember those big blue eyes and that beautiful smile. I will never forget the look on your face when Kathy, Michael and I took you to Lake Arbuckle. The look in your eyes when your feet and toes first hit the sand, was priceless. And the water, well you loved the water. I would get behind you and sit in the baby pool with you and we would splash and splash. Your favorite thing to play by far was crash cars. You loved it when I made the cars leap into the air with crash sounds going as they came down to meet each other. The smile and the giggles I would will forever be remembered. I love you Donnie James Allen. You will always have a piece of my ❤️.*

I met you only once Donnie & it was the year we were down for my brother Larry's funeral service, you were so young. I am so sorry that I didn't get to know you better, you have brought so much love to everyone that knew you either personally or on face book. I know that your little body suffered so much while on this earth but now you are free from pain & suffering& i'm sure you are shouting praises in the presents of Jesus. you left a giant hole in the hearts of your mama & the rest of the family but they all have faith in the Lord & know you will all be together again one day in glory. I love you aunt Barbara...
