“ Grandma and Aunt Lois had given me some play makeup and nail polish. And of course I use it all over myself and Jackie too. Possum, always the saint tells us we're in trouble runs to get momma and she scolds Jackie cause he wasn't supposed to wear makeup and me trembling figuring I was next . Possum standing behind her like Nana Nana boo boo on the couch. Momma bent down and ask me to put some lipstick on her. So I jump up to happily do so and as momma got lower and closer to me , I glared at Possum like haha. And I applied mommas orange lipstick and she asked Possum if he wanted some he of course boldly told her no so she grabs all my lipstick puts them on her lips and kisses Possum all over his face and head. (Ps he was mad at me for a week) Momma laughed so hard... Jackie cried Possum stormed away and me for that moment looking at mommas yucky lips face so red from laughing was in "heaven".
Until I see you again rest easy momma and give heaven some hell!!!!
