“ *Aunt Dorothy was there for me when both of my kids were born. She took Jerry and I to swim at the Vendome and Bellvue after gathering eggs etc... Loved to take a stroll through her berry patch and sample them! I remember the first time she made scrambled eggs with bits of sausage. I always thought she made the very best breakfast! Will miss her. Joe Don*

SA

“ Aunt Dorothy always treated me like one of her own children. Growing up I looked forward each summer to spending a couple of weeks at Granny's and every morning I would get up and head up the road to Dorothy's house to play with the cousins. Dorothy would pack us all up in the car and take us to the Vendome swimming pool or the park. That was after Ricky, Jerry, and I would gather the eggs. She would come get us in time to go home for the afternoon gathering. One of my saddest day was when I heard Dorothy's awesome blackberry patch was plowed under. She had the best Blackberries I have ever tasted and Granny would always make me a Blackberry cobbler when she knew I was coming. I will never forget when Ricky and I thought if we shot a skunk with an arrow it wouldn't spray. Well that was not the case. We ran home and Dorothy made a tomato bath and we had soak in it. I am pretty sure Howell wasn't very happy the next morning when he went to the chicken house to feed them either! So many fond memories and such a wonderful time in my life. God bless you in Heaven my sweet aunt!
