“ Dad,

*This is the hardest thing I have ever had to do. I do not want to say goodbye to you. If i would have only known the last time I talked to you on the phone would have been my last....*

*Dad I know I promised to find a way back to say goodbye to you. An believe me I did try my very best. i begged, I borrowed and still could not come up with enough. I am so sorry. I do promise though, to move back that way and help look after mom.*

*If only I could have had more time, but I know now you are at peace. The last 10 years or so you became my best friend in the world, and I wouldn't trade those memories for anything in the world.*

*Rest in peace dad you deserve it.*

*I love you*
