ME

“ Hello Everyone,

*Dustin was my brother and friend. Even though we didn't grow up together, we had a special connection from the day he was born. I could always be myself around him and he would always talk to me straight, holding nothing back. He had a way of knowing exactly what was going on with me just by the sound of my voice. I will miss him and will cherish our memories together. I wish we had more time together, but I'm thankful that he accepted Jesus as his Lord and Savior. He isn't suffering any more and I know I will see him again. Love you, bro!*
