“ *"It's not much of a life you're living*

*It's not just something you take it's given*

*Round and around and around and around we go*

*Oh now, tell me now, tell me now, tell me now you know*

*Not really sure how to feel about it*

*Something in the way you move*

*Makes me feel like I can't live without you*

*It takes me all the way*

*I want you to stay" :)*
