“ *Earl and I were friends through work with the U.S.D.A. and the Oklahoma Department of Agriculture. He was a kind and loving gentleman. Earl's friendship will always be cherished. My condolences to Earl's family.*

“ *I am so grateful that just a few short days ago, I and my granddaughter got my usual great big hug from Earl, but never could I have imagined it would be my last. My 5 year old granddaughter Olivia was so excited to tell Earl that day about "her" baby bluebirds hatching. God Bless.*

“ I lived down the road from Earl in Wellston as a little girl. Earl was a kind man who always enjoyed teasing me!! He will be missed!

“ Our hearts are saddened to read about Earl's passing this morning. We got acquainted with Earl when he bought land next door to us when he moved to Wellston. We had many pitch games and some fishing together. He did love to fish. We also shared a love of horses. He was one of a kind--if you needed anything, he was always there being advice, help, or just a visit. After he moved to Tishomingo, we didn't see him as often as we would have liked but he was in our thoughts and prayers through the years. Our life was better for knowing Earl and Granny. Our thoughts and prayers to Kim and family.

“ As many feel the same as I-- my life will not be the same! Without Earl-- i was awaiting his arrival to go fishing-and received the news! Earl was one in a million in a million categories!! So many happy thoughts I have shared with Kim-- we struggle to deal with our loss and tears and hurt and know that Earl is with Jeannie - so we have to smile and every crappie and every trout I catch will be with Earl!! Loved him dearly and had planned many more fishing adventures and catches! NasFish forever Earl!
