“ *We always enjoyed the time that we spent camping with Ed, Peggy, Tom, Dorothy and Zac. Ed always made us feel welcome. I remember, especially, the time that Zac played the harmonica for him at about age five. Ed thought that was wonderful! He was a very kind and considerate man, and we're thankful for the time that we had with him.*

“ Uncle Ed never met a stranger and treated everybody equally. I can't remember the first time I met him because he has always been in the family. It will be different without his presence but we will be together again soon. Love you Uncle Ed.

“ I remember Uncle Ed always teasing and playing with me when I went to visit. We had some good times. He gave me a trumpet once when I was probably 10. I'm sure he gave it to me as much to please me as he did to know it would drive my Mom (his sister) crazy when I played it.
