“ *Edie was my neighbor in Sulphur for many years. When we first moved to Williams Dr., Edie came over and invited me to shoot fireworks with the neighborhood kids. She was friendly and kind. She and I would visit whenever we saw each other in town. She will be missed.*

“ *There was never a friendlier greeting at the door of a conservancy and I always hoped I would get to hear her play piano. Edie was the person that knew everybody because she was so easy to talk with. Sincere condolences to the family and co-workers. Lew Hall - Reclamation Retired - Friend of Edie's*

“ I met Edie in 1998. Arbuckle was the first Project I visited and she was the first to greet us at the office. Edie was always very pleasant and through the years we would chat a little bit more than just taking care of business. We talk about flowers and purple Iris in particular and prayed together when her nephew Hunter was hurt, I'd check in and she'd let me know he was doing much better, until he was. After she retired we stayed in touch, and her last note back to me was that she had fallen a few times but was doing okay. I never heard her complain and she took her health issues in stride. My life is better for having met her, but God decided it was time for you to come home. My condolences to the family.
