*I wish I could have met you. I was a friend of your dad and I miss him also. My name is Tino I come through Millcreek and Tish every week on Thursdays. Your dad was a very funny guy and his laugh was contagious. I know he loved his cold beer as he would say. Him and Frog were back in the day insuperable. I lost contact after I moved back home to Shawnee in ( 1999 ).Last time I seen Scotty was in 2005. I try to stop in at the Millcreek store every week for a lunch break, just makes me feel good to know my old buddie probably walked through them doors a hundred times. I drive a big green truck what looks like a dump truck. If you see me in the area holler at me. I would be glad to meet you and tell you a few stories about our endeavors!*

“ Scott, I just found out today 11/9/2013 when I went to find you my brother. How it breaks my heart to know you are gone. I love you and will truly miss my fishing buddy. If somebody knows how to reach "Frog" Brian. Please let him know I looked all day for them both. Finally found an old neighbor who let me know that Scott was gone. I love you Scott and my heart is heavy and will always be. God Bless you! Your friend Tino
