“ *Mrs Springer used to take me with her to lunch my senior year in her cool convertible. We had so much fun together. That's just 1 year of 17 that I spent time with this beautiful soul. She always made me feel important, loved, and wanted. I wish that I could've been there today. Please know that I was spiritually there. Mrs Springer meant a lot to me and always will.*

“ Liz Springer was always one of my favorite moms. On sleepovers she'd make her famous chocolate biscuits. I always felt loved by Liz! Grateful she's with Jesus now! Prayers for all of you.

“ Dear Julie
I'm sorry to hear about your Mothers Passing. I know your mother and my mother were friends. I do have some pictures I will send you copies of as soon as I can find them. It always looked like, to me, that they had great fun. Several girls had sleep over get togethers. Mother talked about a place called "the slab" where they would go dance, there were kids there from Sulphur, Davis, Wynnewood Pauls Valley, all around. They swam at the Belview and the Vendome. These girls grew up in the park and although they may have dreamed of going places and seeing the world, the Sulphur/Davis area was home. Mother had to move to San Francisco several times as she grew up. When she topped the midway hill between Davis and Sulphur she said it was the most beautiful sight she had ever seen, beat San Francisco by a mile.
I really didn't know you existed until college where I met an adventurous, strong, and inspiring girl. In the short time we got to run around together, you, Chris, Marla, Dorisann, and I we had great fun and I'll always consider you a dear friend.
