

Elsie Florence

May 2, 1918 - September 9, 2018

Elsie Florence was born May 2, 1918, in Sobol, Oklahoma. She passed away September 9, 2018 at the age of 100 years and 4 months.

Having seen a century she experienced many major life changing events. Lived through the depression, many wars, and several presidents. She was very quiet and unassuming. Her life was spent in service to others.

Being a pastors wife for many years, she held that position very well, but maintained that her Profession was being a Homemaker. That responsibility was taken very seriously, keeping an immaculate home, excellent cook, and a perfectionist with her sewing and quilting. She never complained and always had a pleasant smile.
