“ *I wish I could have met her in person. She must have had a treasure chest of life's memories to share. She and I exchanged cards throughout the years with some written conversation. It was a pleasure to receive them. I really felt I knew her I will miss her. I want to say to her family what a treasure she must have been to you all. You all have our sincere sympathy. The sweetest memories in life are to know she loved you all and knew she was loved in return. You must all feel blessed to have had this wonderful person in your lives. May God bless and keep you all in His care. Laynes D. Kitts & Minnie Y. Kitts and family*

“ I met Elva in 1979. Although we only cross paths for a short time, she made a lasting memory. I will always remember her kindness, sweetness, unconditional love and the best Angel Food Cake ever. Love and Hugs to the family, Linda Martin in Bethlehem, Georgia.

“ My heart hurts for Ed, for Ed's dad and brother.... and the kids and grand kids... and great grand kids....this is almost 100 years of life.... gone.... a great woman, matriarch of a great family.... my heart breaks for the husband she's left behind, you talk about a love story... THAT is the real thing, a real true life love story of 74 years..... I remember the worst thing I ever heard her say was, "Eddie, your daddy has misplaced his rose colored glasses." For her to say that it must have been a truly bad day... I don't have very many stories and surely not as many as the local people had there in OK, but each and every second of this woman's life was precious... I know she held the title of Best Pie Maker EVER...her pies brought hundreds of dollars when donated to charity auctions... so much love in her, so much love for her husband and children and family.... and friends....my heart is breaking with you all...
