

Erleen Clarice Ashurst

November 2, 1934 - December 2, 2016

The story of Erleen Clarice Ashurst is an 82 year fun journey. Erleen was a spunky lady that was loved, will be missed, and was cherished by many that shared life with her. She loved to talk!!! God's plan for her on Earth ended December 1, 2016.

Erleen's story started Nov 2, 1934, the oldest daughter to Earle and Elvis Ashurst. In her youth, she loved exploring the outdoors to find a scruffy tree for snuggling with a good book. After graduating with a registered nurse degree from New Orleans, she returned home to Wynnewood. Such fond memories of her awesome nursing opportunities in this small town hospital. The medical field was fortunate to have Erleen work in most of the Oklahoma hospitals. God blessed her career as she later roamed the United States sharing her nursing skills across the land. She retired as a contract registered nurse having been "that "nurse that was passionate about caring for her patients. She went the long haul.

She loved her home church, First Baptist of Wynnewood, it was an honor to worship with her church family. The next time you are watching a sport, throwing a bobber in the lake or watching birds as they land on a branch, smile because she is sitting there telling you a story about her many fishing fun days. I'm sure she is asking the angels to grab a pole and fish.

Erleen is survived by her niece, debi Merkey and husband Mark of Cordell, Ok, one nephew, Mike Garrett and wife, Gina. Also, her Whitaker cousins family of Wynnewood, OK

She was preceded in death by her parents, Earle and Elvis Ashurst, one sister, Myra Garrett and one sister, Jannene Ashurst.

Memorial Service will be held on Thursday, December 8, 2016 at 1 PM at the First Baptist Church in Wynnewood, OK officiated by Rev. Lynn Phillips.

Services are under the direction of DeArman Funeral Home of Wynnewood, OK.
