“ *Aunt Erlene, I love you more than I can say! I already missed you because I knew you were so far away that we wouldn't see each other again this side of heaven. I'm so thankful for your faith in God because I know I will see you again in heaven. In this life, you were the BEST aunt one could hope for! You were always far away but whenever I did get to see you, you gave love and help and wisdom. There were priceless times in my childhood that you was my answer to prayer! For now, "Good bye" but this is temporary. I will see you again.*

“ Aunt Erlene,
I am going to miss your tinkler bell laugh, your melodic voice. I loved spending time with you when I was young. I loved hearing you sing and play the piano. I loved the special treat you always made for me, Timothy and David. Hot dogs with barbecue sauce, cheese, green olives and your homemade brownies for dessert!
I thought you were so beautiful and always so happy.
You were very stylish and loved to dress up. Because I loved how stylish you were, that inspired me to always try and look my best, you once told me that was probably your one vanity in life that you liked to feel pretty. We didn't get to spend as much time together after I grew up as you moved a lot. But I cherish all the times we did spend together. We both were into genealogy and you loved to share things via email. I so wanted to see you but I understood when you told me you just were not up to it. I will always cherish that last phone conversation two weeks ago. I really wanted to make the funeral and was hoping it would be Saturday.
Unfortunately I probably can't make Friday, but we are going to try. I love you so much, you are reunited with David, Timothy, Aunt Leah, Uncle Robert, Granddaddy, Grandmother. Spread your wings and fly high. You're one of God's most special angels now.
