“ *This in not a memory of Euel Lamb as I have never met him. However I believe I am related to him. My mother, Ethel Laura Lamb born in 1896 in Indian Territory was the daughter of William Lamb and Fauster Bishop Lamb-and Euel's father, known as Estel, I am sure is a close relative of my mother but then I have lost the connection. I would greatly appreciate any info you can give or put me in touch with any family member that might be able to shed more light on this lost connection. My e mail is Frangk@mac.com*
