“ *I was out of town last week and just learned today of Faye's passing. Please accept my sincerest condolences for your loss. Faye was such a good and generous woman and I don't know how I would have been able to make my early years as a single parent in Ardmore if she hadn't rented me the house on McLish. She was patient with me whenever I needed extra time and always so very good to me. Luke lived in the garage apartment behind our house and kept up our lawn. I really don't know how I would have made it without those two wonderful people. I know there is a hole in your hearts from their loss, which I share, as will my sister and daughter when I tell them. God bless your family.*
