“ *We are so sorry to hear about the loss of your loved one.
We feel blessed that we were able to visit with Floyd and Ada and to
take my parents in past years to visit with them in their home and at
the family reunions.
What a great guitar player he was - we enjoyed his music in the
park and at the restaurant and will never forget the enjoyment on
the faces of all who listened.
Our thoughts and prayers are with you during this time.*
