“ *I can not believe I missed this! Fran was an amazing person!! I worked with her as a waitress at High Plains, and she did amazing photography. She was like a second mother to all us high school girls, and always motivated us to keep going. She was very proud of her children and grandchildren and had a huge heart for everyone!*

“ I met Fran in 1990, we worked together at Navcare. We became great friends. she had a heart of gold. Her children were just babies when we met. I remember meeting her for lunch and telling her I was moving. We sat there and cried together. That was the last time I got to see her. We stayed in touch for several years later but as life would have it we both got busy with our own lives and sadly hadn't spoken in years. We did keep in contact through Facebok where I got to see her beautiful family grow. She was truly one of the best people I had ever known. My heart goes out to her family. Fly high Fran, until we meet again!!

“ We loved Fran. We went to high school with her, and my wife Penny was friends with her since they were 10yrs old. Fran was a very generous loving person. We always tried to hook up with her if we were within a short driving distance of her. We are very sad that we can't be at her memorial service.  
She spelled her first name Frances, by the way. We love you Fran and will miss you greatly.

*My heart is so broken. I also knew her at Enterprise and have been great friends ever since. I was supposed to go to Tulsa this month to see my dad and she was going to meet me there. We hadn't made arrangements due to us both having COVID. She was one of the hardest workers I know. She pushed herself over the years to become an RN. I was so proud of her when she accomplished her dreams. She cared about everyone. I was so jealous of her beautiful hair and funny attitude. God bless all of those left behind.*

*I don't know where my first post went. I to met Francis at Enterprise Academy. She has such a wonderful personality and was one of the hardest workers I ever knew. I was always so jealous of her beautiful, long, brown hair and her bubbly attitude. She was a wonderful mother and grandmother and great grandmother. We were making plans to meet in Tulsa when I went down to see my dad this month but we both got Covid. Fran never let anything get her down. She just worked thru it. I am so broken hearted.*
