“ *my thoughts and prayers are with all of you. I hate that it takes the loss of a family member for us to all get together. Frank will be missed mike misses him to he talks about how they fished and stuff i told him I know I may not have been a boy but I was grandpas first grandchild so when I was young I spent a lot of time fishing with him and frank because I was a girl I didn't hunt but we spent a lot of time gardening too. I have a lot of good memories with frank and grandpa*

“ *I will always remember those fishing and hunting trips behind grandmother's place every weekend we did together for a couple of years. I realize now just how much of you there is in me. I see you every time I look in the mirror*

“ Dad

Since I met you at my wedding I know you are a good man. Every time IO ask you for something meat or anything out of the garden you always give it to me. Also you plowed my garden and help my two sons some gas.

Love you and miss you!

God bless you. Some day will see you in heaven.
