“ *So many memories to share, Grew up with Fred, 1st cousins, and our families did almost everything together during our growing up years. He being only one year younger was my best buddy at family functions and what fun we had (if we were not getting into trouble) -- Since our Birthdays are only one week apart, every year our families would celebrate our birthdays together, usually with home grown big dinners, home made birthday cakes, and home made hand cranked ice cream -- I'd have to write a book to tell all the good memories, and some very sad ones too as every family most generally have their share. Much love to everyone down his way, Darlene, Jes, and so many others, Hatches, have lost contact with so many yet never will any be forgotten. Love and so very sad to have to say .. so longfor now , Love to all, Marilyn 'C' Allen*
