“ *Frieda always had a smile on her face when she came in to our Sunday School classes at Calvary Baptist Church to play the piano while the children sang. I enjoyed that time of singing so much! I know she and Ollie Lowrance will be singing praises in Heaven together!*

My thoughts and prayers are with all her family!

*Love,
Karen Jones*

“*Jerrie and family; Frieda & Lonnie touched all of our family in so many ways through the years. I consider them as mentors in the way they revered God, in the way that family came first, and in the way that work ethics were lived. Frieda was always encouraging others through her gentle, quiet, and loving mannerism's. She personally encouraged me many times to pursue singing which I will always love. Her love of music always came through when she played a favorite hymn on the organ. Many fond childhood memories tie into our times as a family at "the ranch". We learned to fish the ponds with our Dad and where our Mom always came along to "talk to the cows". I learned to drive on the ranch roads and learned that driving a big old car through the ranch gate best be done with care. Frieda always eagerly inquired about my adventures when I would return to Sulphur. God certainly has a smile on His face because Frieda is one of His loved children. "Blessed are the pure in heart, for they shall see God." Matthew 5:8*
