“ *Richard, thanks for all the fun and laughs when we were stationed in Yuma. I got a call from Walter last night and we got to thinking of you and I looked you up. My heart broke knowing you are no longer with us. Thank you for being a great friend. I met your family years ago when we went to visit you and was happy knowing they were there for you. Myrtle, my wife and I will one day plan a trip to see Richard. You have my deepest condolences.*
