“ *Words don't express the feelings you are having..It just feels wrong to loose someone so young and still with so much life to live..We don't always get the things we want...Somehow you have to get to a place where you know that only God has all the pieces of the BIG Picture and in time maybe, just maybe, He will reveal them to you all...Know that I am praying for you and God in His infinite Wisdom, will strengthen, encourage, and hold you until you can deal with this loss...Gary made his beautiful journey and now its up to us to make ours...Be at peace this day...##imported-begin##Bobbye Brown Cope##imported-end##*

*Gary,*

*After 40+ years, I got to visit Mom & Dad, Vicky, Tricia, Al. I got in touch with my God son Robert. I've been away too long. Each time I look at your picture memories flood my heart, all the way back to when we were little brothers during Washington Elementary school days. You will always be with me. Today?*
