“ Gary - A good man gone far too soon.

I met Gary thru Seymour Ambulance in Seymour, CT.

One memory was seeing a picture of Gary's face, frozen in ice, after fighting a house fire at my house on Jan. 21, 1984. The picture was in the Evening Sentinel, a Valley newspaper in CT. I wish I had a copy to share.

That was Gary's last fire and that was Bubby (John) Oczkowski's 1st day at New Haven ambulance so he missed the fire. I am pretty sure I precepted at New Haven Ambulance with either Gary or Bubby or both, ha.

Also fond memories of trips to the old Yankee Stadium with Gary, Willy Anglace, and my dad. A trip to Chicago for an EMS conference with Gary and Scott Andrews. And a trip to Liberty Park, in New York harbor on the Fourth of July 1986 for the 100th birthday of the Statue of Liberty. That was Gary's idea and a late night. Awesome fireworks display tho.

*My condolences to Gary's family.
RIP my friend.*

I thought about Gary while watching the fireworks again last night - reminded me of Liberty Park. Many good times together.

I knew Gary when I was in Seymour Ambulance also. I was also in junior high school with him. I grew up in Seymour, CT. I looked on line several years ago and to my sadness, saw that he passed away. I, too, moved to Oklahoma in 2013. I wished I knew that he lived here.... I would have looked him up and to meet his "Okie" family. After reading the two other posts previous to mine, I saw that they were from Ricky Martin. I know he knows me. He mentioned my ex-husband, Bubby (John Oczkowski). Also went to school with Willy Anglace. Gary ALWAYS made me laugh. He had a terrific laugh. Our birthdays were only 3 days apart, same year. He rescued me during a snowstorm from Griffin Hospital where I worked and drove to Derby to give me a ride home. All my sympathy to his wife and children.

I know that he passed several years back but it's almost August 6, 2025 and that's what made me look this up. Thank and again, I'm sorry for your loss.

“ Gary was a great friend and mentor. I was privileged to be his partner for a number of years at Stamford EMS. Many great times, events and memories. It was his dream to be a cowboy in OK and he made it happen. He leaves us way too early and will be sorely missed. Our condolences to Deb and the Hillman family. Geza & Pam Ziegler
