“ Mr. Rocky, I am so sorry. I will keep your family in my prayers. Miss Georgia was the best of the best! I worked with her at Heartland for 11 years and she was the most caring and compassionate person and nurse. She will be greatly missed. We had some great concert events, she was such fun. I loved her very much.

“ I met Georgia when her daughter & my daughter were classmates at Liberty Academy. I didn't know Georgia well, but I liked what I knew. The world would be a better place if there were more folks like her.
