“ *Reagan was my daddy's (Joe Ed Haynes) best friend. My father loved him like a brother, as he often told me. May he rest easy with Jesus. I know he and my dad are together; that's a great thought.*

“ *Reagan was one of the best people I know to have a good time. He always had a smile and was available to help especially with my electric work. Not sure how he will make it now without Aunt Mary telling him what to do. I laughed at him because she would just talk and talk and he would just mute her. Loved him very much and will miss that tall man.*
