“ *Alloway Family, just read the obit for Mr. Alloway in the "Capital Democrat". Mr. Alloway was one of my professors during my time at Murray, 1952-1954. He taught physics, engineering mechanics, mathematics (plane geometry). A memory to share is he gave me a B in a 1-hr course even though I had the heighest average in the class and I never let him forget that. I appreciated the opportunity to be one of his students. God bless you folks.*
