“ *Gerald was a great man but more than that he was a great friend. We spent so many hours together over out years riding bulls, team roping and just hanging out. Way too many stories to tell from all our years together. But one thing for sure they were great times I'll never forget and cherish forever. Sure gonna miss you cowboy.*

“ *Oh I'm so sad to hear about Gerald's passing. Although he was a grade behind me we all grew up together. We all were so close in Stratford we thought we were all family. We used to go to the WH Corral and I couldn't go without dancing at least once with Gerald he was a great dancer. Didn't see him for several years and one night went to the bar with some friends and I went and hugged him and we talked about our memories. RIP Gerald I know you were welcomed with open arms by your mama and daddy and many family members.*
