“Glen & I got to spend a lot of time together as small boys, seems like we were always getting into some mischief and would always get caught by his Mother, Opal. Nothing got passed her!! Fond Memories as we got older and had families of our own, Music was a key part of our lives.... It was a joy for me to get to play music with Glen and hear he and Angela sing. Something I will cherish for a lifetime. Go rest in peace and know that you will forever be missed.

I send my condolences to the entire family and I sure love you all & will always cherish the great memories of a special man that I admired & looked up to not only in his talents for the LORD in singing but the love he had for you all you could see it in his life. I also knew his love for the LORD each time we encountered each other as you could see it in his face. Please know I feel your hurt but GOD gained a fantastic angel & we will see him again. I'll be praying for each of you. Y'all have a special meaning in my heart for all the memories I have in Byars. LORD bless you all & comfort you. Always In CHRIST, Larry Brown.

“ I will always remember him in the Assembly of God church (in the little house that we all started in) at Stratford singing “One Day at a Time”. He was always so humble about his talent that God gave him and such a blessing to others. I am sure he is singing with the heavenly host now.
