“ I started driving a truck for Paymaster Feed in Lubbock back in the 60s, and I would listen to Sky on the radio. I later moved to Dallas and work for Frito for 26 years, and on to Kingston, Oklahoma in 1982.. One day I was listening to the radio and I heard a DJ named Sky. I called him and ask if he was the DJ from Lubbock that was a Lover, a Fighter, a Wild Horse Rider and Pretty Fair Windmill man”. He said he was, and we talked..

I saw him again at the Wild Horse Recording Studio in Mead , Oklahoma, and we had a good talk.

I hear Scott on the Durant Station every day.

Our family called us this evening from Lubbock to say Sky had passed away.. We are sorry for your loss, and know he will be greatly missed.

“ I am so sorry to hear of Glen's death. It seems that almost all of my very close friends have died. Glen, Sky, Clay D. Wright and I were inseparable in high school in Levelland. I saw Glen at the 50th Levelland High School reunion in 2001. Peggy Dan Bass and I were on the radio together at KLVT in Levelland. At 81 now, I am especially cognizant of our life here on earth; but know, we will see each other in God's future heaven. May he rest in peace.

“ I always enjoyed visiting with Sky at the park as he carried around his recorder and interviewed the locals at festivals. As a kid, I hunted eggs at the annual Easter egg hunt and can still see his hatchback loaded with candy Easter eggs. I admired his devotion to our part of Oklahoma-and no one will forget his distinct, deep voice. Thanks Sky.

“ Dear Pat and all the Corbins that loved Glenn,

I was in High School with "Sky" and "Slim" and sang in their band for a time. They both meant a lot to me, and I am so saddened to hear that they are both gone from this earth.

We had so much fun singing along with the band, and the "Sky" and "Slim" went on to become a part of the Music World we all loved so much.

I know we will see them again in Heaven, and won't we have a grand time up there, Praising the Lord!!

I last saw "Sky" at a reunion of 1953 graduates, and he was the same loving, caring guy we always knew in high school.
