“ *I just found out via internet that Holly passed on to a better place but, want you to know how sorry I am that you lost your mother. I remember when you were just little ones. I am glad to have gotten the chance to visit with Holly in 2005 before I left Sulphur and moved to Texas, and now Idaho. She had a huge heart and would do anything she could to help those she loved. We shared alot of laughs and tears together. I am sorry I didn't know about this sooner. I do know nothing meant more to here than her family, esp., you two kids. I just wanted to tell you how sorry I am that you lost your mother at such young ages. But, always know she is with you and looking out for you even now. Just think of her and talk to her when you need to. She can hear you and is always near you. My deepest sympathy, Judy##imported-begin##Judy Scoggins##imported-end##*

“ Holly, I remember such joy in watching you as the first girl in a family of already 4 boys. Your Mom and Dad were so proud of you. Aunt Louise would let me care for you whenever we were at Hollis visiting Grandpa & your home. I was a young teenager, and I enjoyed being a babysitter for you. I remember also that you were the flower girl in my wedding. You were always so beautiful. I thank God for His gift of you to the Collier clan.

The boys always had outnumbered the girls until you were born in the George Collier descendants.

I am sad that I never got to know you as an adult woman. I will be praying for and loving your siblings, children, and grandchildren since you are gone.

*love you bushel your cuz,
