“ Just now seeing this! So sad me and him had so many good talks together about his ministry and the Lord. I retired August 2024 and when I last visited him he was ready to go home not understand why he was still living at 90 years old. I said because God's not ready for you to go yet! I know he is at peace now! I took care of Mr Hardoin the time he was at the VA. Spent almost 9 years there. It was the most rewarding experience to me taking care of our HEROS!! He will be missed dearly 😭 But will see him one day when the Good Lord returns for his children ❤️
