“ I worked at Ditch Witch when David was employed there. It wasn't until he moved into the International side of the company that we were able to know each other and become good friends. I counted him as a great friend and fellow co-worker. My youngest grandson was fortunate enough to have David as his youth baseball coach. He was a great mentor to the kids he coached. I haven't seen David for a while, but will always remember him as a true friend. I'll miss you, Franz

“ So sorry to hear of the passing of David. We were at ECU at the same time and were fraternity brothers. He was a good guy and fun to be around. We met up again many years later at a tennis tournament when I was coaching against Perry and he was watching one of his children. It was a good visit and it was really good to see him.
