“ To the entire Howe Family,

Our deepest sympathies to you all. Our family just met James Rae this past Thanksgiving. We were spending the holiday in the home at 1220 Second Street that my parents, had owned prior to James Rae and family. My sister and I had so many wonderful memories of the place but because we were so young when we moved, many of those memories were a little fuzzy. James Rae was gracious enough to come over and spend some time chatting with us about the house and Sulphur and all the many changes that took place over the years. We so enjoyed talking to him-he was a great story teller! I know you will all miss him greatly.

*Again, our heartfelt condolences,
Marylee Martin Murphy and Tim Murphy##imported-begin##Marylee Martin Murphy##imported-end##*
