“ I always remember the way she smiled and talked to us before and after church. I will never forget how happy I was to be a part of her church family and to be friends with the family as a kid. I'm sure she has got that big smile, looking down from heaven.

“ I met the Cheesman family at the Ravia Church of God when they moved here from Arkansas. Linda and I became immediate best friends..Sharon, Janice, Kathy became those pesky little sisters that I already had two of at home. Gary and Keith were those pesky little brothers that I had 4 of at home. I would like to say Wayne was the big brother I never had but no, I had a crush on that boy big time..but alas...I was just another pesky kid in the house :) The Cheesman place was like my second home. I was there as often as I could be. I love the them like my own..I am so sorry for your loss. So many in such a short time. My thought and prayers are with you all. Hugs, June

PS Betty still made the best pickles ever!!
