I had the privilege a couple of times to see Janie and her sister Anna visiting at Anna's daughter's beauty shop. You could just feel the love between them. They would talk and giggle like jr high girls. My mother-in-law in law knew Janie and would say there wasn't a mean bone in Janie's body. Prayers to all the family. A lady like Janie will be missed tremendously.

Janie was indeed a sweet person as were all her siblings. I know she will be missed dearly by family and friends. It is wonderful leaving this world with nothing but kindness being remembered. I will always remember those sweet dimples she had. She was a great cousin.
