“ *Dear Jean,  
I will never forget your Friendship. My two summers at Tavertine Nature Center.  
My fondest memories are of your cooking. You were the best cook ever.  
I can still remember all those delicious meals you made, monkey bread, okra with tomatoes, the best fried chicken...and you taught me how to make potatoes au gratin.  
All those times I would visit...I would be knitting and you would be working on a project for your granddaughter. I think of you often.  
One day we will meet again.  
Love,  
Victoria*
