

Jimmy Vernon Britt

November 29, 1968 - September 26, 2020

Jimmy Vernon Britt, a resident of Sulphur was born November 29, 1968 in Ada, OK to Karen and Vernon J Britt. He passed away September 26, 2020 at Okla. City, OK at the age of 51 years 9 months and 27 days. Jimmy grew up in Sulphur and graduated from Sulphur High School. He started building a reputation as a hard worker when he was nine years old, cleaning the meat market for \$10 a week at his dad's store, Jim's Quick Stop on 12th street. He continued developing his work ethic when his dad started Jim's Discount Grocery on Highway 7. That same appreciation for a job well done carried over to farming and ranching. He enjoyed time on the tractor, simple meals in the hayfield, and seeing a tight stack of hay in the barn or the collection of round bales lined up, ready to feed in winter. He loved having cattle and bought his first herd as a teenager. As an FFA officer in high school, he lived out the FFA creed, for he knew the "joys and discomforts of agricultural life" and embraced them. He shared many treasured moments fishing and hunting with his friends and family. Jimmy had a lifelong appreciation for the outdoors and a good cup of black coffee. In 1990, Jimmy started his career at US Silica in Mill Creek bagging sand. He worked hard and moved through many positions, working production and maintenance at both the South and North plants. Around 2016, he became a salaried employee and finished his career as North Plant Superintendent. US Silica recognized Jimmy through many SPOT awards, both from Mill Creek and company-wide, and he was proud of developing a product loading program that earned significant additional

revenue for the plant and was implemented company-wide because of its success. Jimmy was known to be an exceptional leader who truly cared for his co-workers. Having shared 30 years of his life with many of them, he considered those he worked with family.

He was married to Ginger (Fugate) Britt at Oak Grove on December 22, 1990. For over three decades, he was devoted to his wife Ginger. He felt his dreams came true when his family grew by three children, Moriah, Torrye, and Jake. He told them daily that he loved them, both through words and actions. He showed them how to pray and how to be practical. He taught them to look at all the angles and to consider what was “beyond the target” whether shooting a gun or making decisions. They teased and laughed together, and he calmed them when they felt upset or frustrated. No matter the problem or mistake, they knew dad could help them fix it. Jimmy respected and honored his dad, Jim, and cherished his mom, Karen. His love extended to his brother Shannon who was also his dearest friend. He often spoke of the lessons he learned from his beloved grandparents and his many aunts and uncles. He was preceded in death by his grandparents: Mattie & Cecil Britt and Short Binderim.

“ We lost a friend, Jimmy Britt. He was my student in the early part of the 80's. As time and situations effect our lives, Jimmy and I were reunited due to friendship between my daughter and grandchildren and Jimmy 's wife and children. Jimmy started baling hay on our property, then I became the student and Jimmy was the teacher. His knowledge and ability to operate equipment and his hard work ethics far exceeded mine and I learned from him. Those who know Jimmy know he had an infectious smile and humor and went out of his way to help others. Not only did I loose a special friend, so did so many other people in Murray County. We love Jimmy's family beyond words and will always hold them close to our hearts. Gayle and Geneal Frederick

“ My heart has been saddened since I heard of Jimmy's passing. I met Jimmy about 5 or 6 years ago through work. It didn't take long to see that he was an honest, hard working, family man. We hit it off immediately and became good friends. We often talked about cattle, our farms, family, and life in general. Anyone who knew Jimmy knows that he was a man of integrity and that he loved his family with all of his heart. There is no doubt that he will be beside you all in everything you do. I am proud to be his friend, and he will be greatly missed. Your family will remain in our thoughts and prayers.

“ I never met the man myself. My daughter Tracy Rhue spoke of him often. She had nothing but high praise for him both as a person and as a business man. She thought highly of him and I know he was always up to lending her and her family a hand if she ever asked. Rest In Peace dear gentleman you deserve it. The world has a whole in it where you once stood.

“ I looked up to Jimmy more than he would have ever believed. Top notch example of a hard working and loving Christian young man. I am forever indebted to him for the example he set for me back when I was a kid trying to figure things out.

“ I met Jimmy because I worked with his wife, but I know that if she picked him, he was without equal.
It is hard to lose a friend, husband, father too soon, but I believe he lived every day as a good, honest, ethical, and loving man, and we are better for knowing him.

“ He was a great man. I first met Jimmy in 1995 at US Silica. He was my trainer for my job. We became good friends through the years, and worked many of them side by side. I am luck to be able to call him my friend. Fly high Jimmy, I sure will miss you.
