“ *John Earl was a wonderful man! Once I moved back to WW and worked at the church I looked forward to our visits. He would come in regularly for something or another. Our chats were a favorite part of my week. He would say he was doing “terrible” with a smile and would rather hear about what going on with my kids. That’s just who is was also doing, helping or checking on others. He will be greatly missed! Sending prayers to the family.*

“ *So sad to hear of John’s passing. He was such a good man. I can remember him coming into the Steak House and how he was always offering advice to me as a teenager. I loved him so much. Prayers to all of his family.*

“ *I have very fond memories of your family. You guys were always the best of friend and neighbors to my us. As a kid I remember John being larger than life in my mind. My father always spoke kindly of him and respected him greatly. He was a great example of a man, father and citizen. God bless!*
