“ Kelton, we are deeply saddened by the unexpected loss of your dad. As a team, we think of ourselves as a family, and your loss is felt by all of us. I also lost my dad in an accident, and while every experience is different, I understand how sudden and disorienting this kind of grief can be. Please know you're not facing this alone. We're here to support you in every way we can!
Sincerely,
Alicia, Scott and the entire PSLS Team!
