

Jonna Thompson

July 5, 1978 - February 1, 2026

Jonna Thompson was born on July 5, 1978. She passed from this life on Sunday, February 1, 2026 at the age of 47. An angel on earth, Jonna passed peacefully, leaving behind a legacy of faith, gentleness, and quiet joy. Her life was rooted deeply in her love for Jesus and sustained by prayer.

She found comfort and happiness in Randy Travis and gospel music, heartfelt prayers, warm sunshine, and fresh air. One of her sweetest traits was her affection she loved giving sloppy kisses, a simple joy that brought smiles and laughter to those around her. Her faith was constant and unwavering, a source of peace not only for herself but for others.

Many who knew Jonna believed she truly was an angel on earth kind, gentle, and guided by faith. Her presence brought calm, her prayers brought comfort, and her spirit reflected God's love in the most genuine ways.

Jonna is now resting in eternal peace, welcomed home by her Heavenly Father. She will be remembered for her sweet soul, her devotion, and the quiet light she brought into the world.

There will be a visitation held on Thursday, February 5, 2026 from 9AM to 5PM at the DeArman Funeral Home Chapel in Sulphur for those who wish to say goodbye.

Arrangements were made under the direction of the DeArman Funeral Home.

“ I will miss your bubbles of laughter and your zest for life. You loved everyone you saw equally and totally. You were truly a child of your Heavenly Father and we will miss you but you are with your Creator now in total comfort and divine love.

I am Jonnas Aunt Martha Mitchell , i didn't know what happened to Jonna , she disappeared a few years ago . I ask about her whereabouts I was told that the state it took over and no one could get in contact with her. I think that is a dirty shame that they would not let any other family know where her whereabouts was for the last few years of her life people that she had known and loved was kept away from her and believe me there was plenty of people that did love her and would've spent time with her. Yes, Jonah was a devoted Christian had been raised with the love of the Lord in her heart from the time of birth. She had a wonderful grandparents that had took care of her till they passed then, unfortunately she fell into the hands of the worst people, then eventually wound up in the hands of the state. It is not fair nor right for people to be took out of their loved ones lives. Need us to say, I am very angry and upset that we did not spend time with her because of state laws are rules and to find out that she lived in a nursing home within 30 minutes of my home it's very upsetting and yes, something should be done about this. We don't even know where her remains at posted
