“ Wayne and family,  
We are so sorry we were unable to attend Joy's Celebration of Life service, but we had a death in the family and had to go out of town. Joy was such a lovely person and great to know. Please know you and your family are in our prayers. Love, Harold and Karen Hunt

“ Sweet Katie and Family,  
I feel so blessed that I had the opportunity to meet Joy. She was funny, insightful, humble and ever so sweet. I'll always giggle when I think about her yoga pose she referred to as "mountain man." I hope you will find some comfort in the many memories you all share of such a lovely, courageous lady. Love to you all.

“ Although I did not know your dear loved one, I saw the obituary online and wanted to send along my condolence. I know this is a very difficult time for the family. Something that has always given me comfort is a scripture at Revelation 21:4, it says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." I sincerely hope this brings you some comfort.

“ Wayne & family, I am so sorry to read of Joy's passing. She truly was an amazing lady, I loved building her ads with Maggie in them, I enjoyed being her ad rep when I worked with the PV Democrat. She always had a smile on her face and listened to my spill whether she wanted to or not. I used to tease her because my name is Katie and she would always send me your Katie's email by mistake an I would reply "wrong one lol" and I always got a smiley face sent back to me with an oops.. Heaven has truly gained an amazing angel to watch over you- Katie Rankin

*Joy was a very special lady to me. She will be missed by all. I enjoyed our talks every other Monday when I went to clean her house. I will never forget you. I still have the notes you left me and I will forever cherish them. Rest in God's arms.*
